Thank you for taking the time to read Ysgol Uwchradd Caergybi's prospectus.
I hope it gives you a flavour of what makes this school so special.

You will find us a welcoming and friendly school with a purposeful working ethos. We have high expectations of all our pupils in all aspects of school life.
Academic success is important to us and we expect all our pupils to achieve the highest standards possible.
Working closely with you, parents and prospective parents of the school, we have the highest expectations of our pupils in terms of attendance, punctuality, behaviour and appearance.

We take pride in the fact pupils at Ysgol Uwchradd Caergybi are friendly, confident and articulate. We frequently receive complementary comments from local employers, visitors to the school and members of our community about the conduct of our pupils.
My task is to lead the drive for improving standards and ensure that all students feel that they are valued and that their needs are catered for. I will ensure that they are provided with the best opportunity to achieve their potential academically and that they have the skills which will make them valuable members of society and ready for the world of work.

I believe that all young people are entitled to a first class education. They have one chance in the education system so we cannot afford to offer them second best. Standards can never be too high and at Ysgol Uwchradd Caergybi we are continually working to raise standards in all that we do.

True knowledge about a school comes from understanding and seeing what really goes on. This prospectus gives you some information about our school but I urge you to attend our Open Evening or visit to us to make a fully informed choice about your child's secondary education.

Estyn Feeder Primary School

Pastoral care for your child is important to us and to you.

When your child joins us as a pupil in Year 7 he/she will be familiar with the school. He/she will have had the opportunity to visit us and partake in a number of activities e.g. Open Evening, School Musical Production, Prosiect Pontio, Maths Roadshow and Induction Week to name but a few.

To further ease the transfer of your child we feel that it is important for him/her to be placed in a tutor group with a friend from the primary school. The key induction personnel, form tutor and Head of Year 7 are very experienced at easing your child through the process of changing schools.

"We liked the Induction Week because it was fun, interesting, less nerve-wracking and very enjoyable"

Our Induction week is held in the second half of the Summer Term. During the week your child will meet a number of staff and will have the opportunity to familiarise himself/herself with the school campus.

Your child will also enjoy a range of lessons and make new friends from schools within our catchment area and beyond. This is a busy week full of lively activities, which enables your child to savour secondary school life.

Our pastoral system is further supported by mentors, classroom assistants and 6th Form Peer Supporters. As you see, the care of your child is inclusive.

"We like the Science experiments. Everyone is nice and helpful"

Ein Haddewid i Ddysgu

Mae mwy i ysgol nag adeiladau. Beth sy'n bwysig yw'r hyn a ddysgir, a addysgir ac a ddeallir sef y cwricwlwm.

Credwn bod ein cwricwlwm wedi'i sylfaenu ar egwyddorion addysgiadol cadarn. Rydym yn cynnig gwricwlwm addas sy'n diwallu anghenion ein disgyblion. Mae sustemau tracio cynnydd disgyblion eisoes yn eu lle.

Mae'r ysgol yn parhau i ddatblygu a mireinio'r cwricwlwm i ymateb i ofynion galwedigaethol yr unfed ganrif ar hugain.

Ysgol gyfun draddodiadol yw Ysgol Uwchradd Caergybi. Yma fe gynigir profiadau dysgu o bob math gan gynnwys dysgu dosbarth cyfan, astudiaeth unigol, gwaith grŵp, chwarae rôl, gweithgareddau ymarferol ac ymchwiliol, i alluogi ein disgyblion i ddatblygu'u potensial beth bynnag yw eu gallu a diddordeb

Yn ein tyb ni mae'n bwysig bod ein disgyblion yn datblygu arferion da parthed dysgu, yn ogystal â chywain gwybodaeth a'r sgiliau angenrheidiol ar gyfer gydol oes. Wrth iddynt symud trwy'r cyfnodau allweddol, gyda phwyslais ar waith yn y dosbarth a dysgu gartref, rydym yn annog ein disgyblion i ddod yn ddysgwyr annibynnol.

Addysgir ein disgyblion y tu mewn a thu allan i'r stafell ddosbarth. Defnyddir yr ardal leol a thu hwnt fel estyniad o'r dosbarth - ar gyfer gwaith maes leithoedd, Dyniaethau, Gwyddoniaeth a Chelf, profiad gwaith, ymweliadau i fusnesau lleol a gweithio gydag ysgolion cynradd y dalgylch.

Committed to Learning

There is more to a school than its buildings. The curriculum is important to us - what children are taught, what children learn and understand.

We believe that our curriculum is based on sound educational principles. We offer a curriculum that meets the needs of our pupils. Tracking systems are well established.

As a school we continue to develop and refine our curriculum to respond to the vocational requirements of the 21st century.

Ysgol Uwchradd Caergybi is a fully comprehensive school. We offer a range of teaching and learning experiences including whole-class teaching, individual study, group work, role play, practical activities and research to enable our pupils to develop their potential whatever their ability and interests.

We believe that it is important for pupils to develop good study habits, as well as the knowledge and skills that they will need in an age of rapid change. As they progress through Key Stages 3 and 4, with an emphasis on both classwork and home learning, we encourage pupils to become more independent learners.

Learning takes place both inside and outside the classroom. The local area is used regularly as an extension of the classroom - for Languages, Humanities, Science and Art field studies, work experience, visits to local businesses and working with local primary school children.

"The school is successful in ensuring that pupils acquire the appropriate knowledge, understanding, skills and attitude to progress to the next stage of education or to enter the world of work"
