

SATURDAY 10th OCTOBER MATHS FOR PARENTS

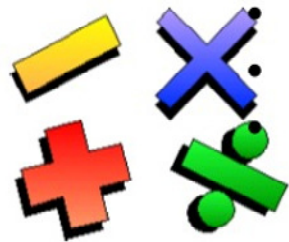

10am – 12:30pm – Free refreshments

Holyhead High School – Maths Block

I wish I could remember how to
do long multiplication

**I'd really like to help with my
son's homework**

- Come to the 'Maths for parents' workshop
 - Want to know what it's like to sit in a maths lesson?
 - Would like to be reminded how to calculate percentages?
 - Want to learn how to work with fractions?
- Ask questions and practise some maths in a relaxed friendly, atmosphere
