The 6th Form Great Day Out

1st December our 6th Form biology class took a trip out to looking at the biodiversity of the area. Using a variety of sampling techniques, quadrats and moisture level detectors, they were checking out the various types of moss amongst other things! I'm not kidding! It's true what they say, not all scientists wear white coats!

By all reports the trip was a lot of fun, they learnt a lot, and all in all had a great day out.

Good day, good company, good food.

INTRODUCING THE NEW HEAD GIRL

We would like to introduce the new Head Girl at Holyhead Secondary School, Emily Hazelaar.

Emily was recently asked, 'What does the head girl do?'

"We get to go to places to represent the school. We also can help out people in the lower years and have an input in the things the school do, kind of like the school council."

why did you wanna be head girl?"

"Just to help people out, its a good opportunity that the school offers, and it feels good to be the one representing the school"

What are three things you would like to change about the school?

"there isn't really anything i would like to change about the school, as it does offer quite a lot, but i do think there are things we could develop further and make a bit better."

Holyhead vs Moelwyn

Football quarter finals,
Holyhead nailing it 3-2.

At 1:45 pm on the 28th of November, Holyhead football team took on the team from Moelwyn in our home ground. Within minutes Keelan Ridings put in the first goal for Holyhead. With no comeback from Moelwyn, and fantastic use of the field, Owen put in another goal for Holyhead leaving it 2-0 at halftime. Second half, the team from Moelwyn put 2 goals past the defences of a now confident Holyhead, but not before a 3rd goal from Holyhead ended Moelwyn's dreams of entering the final. Arun (team captain) lead his team to victory, with Casey Gregg being awarded Man of the Match. Well done Holyhead!!

School Show

Miss Greenwood - Writer and Director:
‘the performers were outstanding, I was really impressed with the first ever backstage crew. Amazing support from parents and teachers, I would also like to thank the care-takers for coming in every Sunday for opening and closing the school. There was a lot of hard work put in the performance, pupils were very professional.’

Lucy Walsh - Wendy Brown:
‘Brilliant! There was a lot of determination, it was Miss Greenwoods first show on her own and I think it turned out really good.’

Teacher of the Term

By popular student vote the students have decided that the teacher of the autumn term 2016 is *insert drum roll*

Miss Greenwood

This is because of her amazing work, and effort towards a great school show this year.

Congratulations Miss Greenwood. (whoop! Whoop!)

Introducing...Breakfast!

That’s right, if you happen to be a few minutes early to school, you may have noticed a few smiling faces offering breakfast. Thanks to the Headmaster for initiating this idea and the Tech department for allowing the Gobaith Môn team to use the kitchen. Every Monday and Tuesday morning the Gobaith Môn team have been getting involved with making various breakfasts. So if you happen to be near the entrance to E block and fancy something to start off the day, come on down! (Breakfasts so far have been American pancakes, chocolate-chip muffins, chocolate and orange muffins and our festive oat, fruit and syrup bars).

We hope you have enjoyed the first edition of our school paper, and if you would like to get involved, please let us know by coming down to the School council and Subject Ambassador office in E block on a Monday or Tuesday.

Have a very happy Christmas, and look forward to seeing you all next year!!
