

Key Stage 3 - Programme of Study

Year 7

End of Module Tests
(approximate times)

Module 1

1 Numeracy

Week 24th of September
Module Test 1

Module 2

2 Number

3 Decimal and Money

4 Time – (Speed)

5 Shape – area, perimeter, angles

Module 2 Test
End of November

Module 3

6 Fraction and Percentages

7 Algebra (1)

8 Coordinates & maps

9 Averages

Module 3 Test
After Feb Half term

Module 4

10 Negative Numbers

11 Graphs

12 Algebra (2)

13 Transformations

Module 4 Test
After May half Term

Year 8

End of Module Tests (approximate times)

Module 5

- 14 Area
- 15 Probability
- 16 Percentages and Fractions & money

**Module 5 Test
Before October Half Term**

Module 6

- 17 Algebra (3)
- 18 Angles & Bearings
- 19 Estimation

**Module 6 Test
End of January**

Module 7

- 20 Ratio and Conversion
- 21 Averages and Scatter diagrams
- 22 Travel Graphs
- 23 Nets

**Module 7 Test
Before Easter**

Module 8

- 24 Algebra (4)
- 25 Circles
- 26 Volume

**Module 8 Test
End of year Exams –June**

Year 9 – Higher (Intermediate and Foundation modules described below)

**End of Module Tests
(approximate times)**

Module 9

- 27 Pythagoras
- 28 Fractions
- 29 Accuracy & standard form
- 30 construction

**Module 9 Test
Before October Half Term**

Module 10

- 31 Straight Lines
- 32 Algebra (5)
- 33 Money (compound interest)
- 34 Inequalities

**Module 10 Test
End of January**

Module 11

- 35 Probability(2)
- 36 Trial and Improvement
- 37 Algebra (6)
- 38 Loci

**Module 11 Test
Before Easter**

Preparing for GCSE – Topics to be Covered

Decimals, Percentages, Ratios
Transformations and Construction
Area, Volume (Including Circles)
Angles and Bearings
Average

Year 9 - Intermediate

**End of Module Tests
(approximate times)**

Module 9

- 27 Number & standard form
- 28 Fractions
- 29 Straight Lines
- 30 Algebra (5)
- 31 Constructions

**Module 9 Test
End of November**

Module 10

- 32 Money
- 33 Inequalities
- 34 Probability (2)
- 35 Trial and Improvement

**Module 10 Test
Before Easter**

Year 9 - Foundation

**End of Module Tests
(approximate times)**

Module 9

- 27 Number & Standard form
- 28 Fractions
- 29 Straight Lines
- 30 Construction

**Module 9 Test
End of November**

Module 10

- 31 Algebra (5)
- 32 Money
- 33 Inequalities
- 34 Probability (2)

**Module 10 Test
Before Easter**

Preparing for GCSE – Topics to be Covered

Decimals, Percentages, Ratios
Transformations and Construction
Area, Volume (Including Circles)
Angles and Bearings
Average
